Behavior Guidance Policy

Policy

We believe children thrive when they are aware of expected behaviors and informed about structures and routines in the classroom. Children need freedom to play and explore in a physically and emotionally safe environment. That freedom must emerge in an atmosphere of mutual respect and encouragement, which fosters autonomy and self-regulation through positive interactions. This will help children develop self-esteem and self-discipline.

Our emphasis is on Responsiveness, Review, Reflection, Remove or Redirect, and Reinforce/Reward. These are aimed at Positive Discipline.

Procedure

- **Responding** to children, parents and one another with **Respect**: with friendliness, care and courtesy provides a positive behavior model. We recognize that interacting with other people varies between cultures and therefore, staff needs to be aware of, and respect, the codes used by all members of the pre-school.
 - **Review** expected behaviors and appropriate behaviors with students. Children are to be introduced to the expectations for each classroom center, for handling materials, and appropriate interactions amongst themselves.
 - **Reflecting** on the causes and consequences of their behaviors- when it is a calm time, not forcing apologies but focusing on foundations of empathy, and empowerment AS IS DEVELOPMENTALLY APPROPRIATE with finding solutions and alternatives, teachers and staff use positive strategies for handling any conflict by helping children find solutions in ways which are appropriate for the children's ages and stages of development.
 - **Remove** child from scene of situation if needed, to compose self and deflate negative situation.
 - **Redirect** behaviors as needed. ex: redirect to different activity to distract and positively engage
 - **Reward and Reinforce** by verbally acknowledging positive behaviors- "catching children" doing well, focus on developing sense of dignity and self-respect.
-
- We familiarize new staff and volunteers with the pre-school's behavior policy and its rules for behavior, as well as, inform parents of our policy by giving them the **Policy Contract** to sign.
 - Parents must be made aware of the misbehaviors that their children are exhibiting in the classroom and how it is being responded to. Parents are to be assured that everything that is being done is with child's best interests. Ensure reviewing and signing of the Policy Contract Form.

I, the undersigned parent or guardian of _____ (child's full name)
do hereby state that I have reviewed the Elite's Discipline and Behavior Management Policy (below)

9. Use short supervised periods of "self time" or "thinking time" reflecting in quiet area where one can relax- as is age appropriate. This should not exceed a minute per year of age, unless child expressly desires quiet time.

As educators we utilize positive discipline approaches to misbehavior, rather than punitive measures. Young children are in the process of learning how to curb impulses and to get along in the world. The more consistent we can be as adults, the easier it is for children to learn self-control and behave safely and positively.

Department of Children and Families
Office of Licensing
INFORMATION TO PARENTS

Under provisions of the **Manual of Requirements for Child Care Centers (N.J.A.C. 3A:52)**, every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents and staff this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families. In keeping with this requirement, the center must secure every parent and staff member's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing (OOL), Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life-safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may view a copy of the Manual of Requirements on the DCF website at <http://www.nj.gov/dcf/providers/licensing/laws/CCCmanual.pdf> or obtain a copy by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJDCF, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1 (877) 667-9845. Of course, we would appreciate your bringing these concerns to our attention, too.

Our center must have a policy concerning the release of children to parents or people authorized by parents to be responsible for the child. Please discuss with us your plans for your child's departure from the center.

Our center must have a policy about administering medicine and health care procedures and the management of communicable diseases. Please talk to us about these policies so we can work together to keep our children healthy.

Our center must have a policy concerning the expulsion of children from enrollment at the center. Please review this policy so we can work together to keep your child in our center.

Parents are entitled to review the center's copy of the OOL's Inspection/Violation Reports on the center, which are available soon after every State licensing inspection of our center. If there is a licensing complaint

investigation, you are also entitled to review the OOL's Complaint Investigation Summary Report, as well as any letters of enforcement or other actions taken against the center during the current licensing period. Let us know if you wish to review them and we will make them available for your review or you can view them online at <https://childcareexplorer.njccis.com/portal/>.

Our center must cooperate with all DCF inspections/investigations. DCF staff may interview both staff members and children.

Our center must post its written statement of philosophy on child discipline in a prominent location and make a copy of it available to parents upon request. We encourage you to review it and to discuss with us any questions you may have about it.

Our center must post a listing or diagram of those rooms and areas approved by the OOL for the children's use. Please talk to us if you have any questions about the center's space.

Our center must offer parents of enrolled children ample opportunity to assist the center in complying with licensing requirements; and to participate in and observe the activities of the center. Parents wishing to participate in the activities or operations of the center should discuss their interest with the center director, who can advise them of what opportunities are available.

Parents of enrolled children may visit our center at any time without having to secure prior approval from the director or any staff member. Please feel free to do so when you can. We welcome visits from our parents.

Our center must inform parents in advance of every field trip, outing, or special event away from the center, and must obtain prior written consent from parents before taking a child on each such trip.

Our center is required to provide reasonable accommodations for children and/or parents with disabilities and to comply with the New Jersey Law Against Discrimination (LAD), P.L. 1945, c. 169 (N.J.S.A. 10:5-1 et seq.), and the Americans with Disabilities Act (ADA), P.L. 101-336 (42 U.S.C. 12101 et seq.). Anyone who believes the center is not in compliance with these laws may contact the Division on Civil Rights in the New Jersey Department of Law and Public Safety for information about filing an LAD claim at (609) 292-4605 (TTY users may dial 711 to reach the New Jersey Relay Operator and ask for (609) 292-7701), or may contact the United States Department of Justice for information about filing an ADA claim at (800) 514-0301 (voice) or (800) 514-0383 (TTY).

Our center is required, at least annually, to review the Consumer Product Safety Commission (CPSC), unsafe children's products list, ensure that items on the list are not at the center, and make the list accessible to staff and parents and/or provide parents with the CPSC website at <https://www.cpsc.gov/Recalls>. Internet access may be available at your local library. For more information call the CPSC at (800) 638-2772.

Anyone who has reasonable cause to believe that an enrolled child has been or is being subjected to any form of hitting, corporal punishment, abusive language, ridicule, harsh, humiliating or frightening treatment, or any other kind of child abuse, neglect, or exploitation by any adult, whether working at the center or not, is required by State law to report the concern immediately to the *State Central Registry Hotline, toll free at (877) NJ ABUSE/(877) 652-2873*. Such reports may be made anonymously. Parents may secure information about child abuse and neglect by contacting: DCF, Office of Communications and Legislation at (609) 292-0422 or go to www.state.nj.us/dcf/.

EXPULSION POLICY

NAME OF CENTER: _____

Unfortunately, there are sometimes reasons we have to expel a child from our program either on a short term or permanent basis. We want you to know we will do everything possible to work with the family of the child(ren) in order to prevent this policy from being enforced.

The following are reasons we may have to expel or suspend a child from this center:

IMMEDIATE CAUSES FOR EXPULSION:

- The child is at risk of causing serious injury to other children or himself/herself.
- Parent threatens physical or intimidating actions toward staff members.
- Parent exhibits verbal abuse to staff in front of enrolled children

PARENTAL ACTIONS FOR CHILD'S EXPULSION:

- Failure to pay/habitual lateness in payments.
- Failure to complete required forms including the child's immunization records.
- Habitual tardiness when picking up your child.
- Verbal abuse to staff.
- Other (explain)

CHILD'S ACTIONS FOR EXPULSION:

- Failure of child to adjust after a reasonable amount of time.
- Uncontrollable tantrums/ angry outbursts.
- Ongoing physical or verbal abuse to staff or other children.
- Excessive biting.
- Other (explain)

SCHEDULE OF EXPULSION:

If after the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child's or parent's behavior warranting an expulsion. An expulsion action is meant to be a period of time so that the parent/ guardian may work on the child's behavior or to come to an agreement with the center. The parent/guardian will be informed regarding the length of the expulsion period and the expected behavioral changes required in order for the child or parent to return to the center. The parent/guardian will be given a specific expulsion date that allows the parent sufficient time to seek alternate child care (approximately one to two weeks' notice depending on risk to other children's welfare or safety). Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the center.

A CHILD WILL NOT BE EXPELLED IF A PARENT/GUARDIAN:

- Made a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reported abuse or neglect occurring at the center.
- Questioned the center regarding policies and procedures.
- Without giving the parent sufficient time to make other child care arrangements.

PROACTIVE ACTIONS THAT CAN BE TAKEN IN ORDER TO PREVENT EXPULSION:

- | | |
|---|--|
| <ul style="list-style-type: none">• Try to redirect child from negative behavior.• Reassess classroom environment, appropriateness of activities, supervision.• Always use positive methods and language while disciplining children.• Praise appropriate behaviors.• Consistently apply consequences for rules.• Give the child verbal warnings.• Give the child time to regain control. | <ul style="list-style-type: none">• Document the child's disruptive behavior and maintain confidentiality.• Give the parent/guardian written copies of the disruptive behavior that might lead to expulsion.• Schedule a conference including the director, classroom staff, and parent/guardian to discuss how to promote positive behaviors.• Give the parent literature of other resources regarding methods of improving behavior.• Recommend an evaluation by professional consultation on premises.• Recommend an evaluation by local school district study team. |

EXCLUDABLE COMMUNICABLE DISEASES

A child or staff member who contracts an excludable communicable disease may not return to the center without a health care provider's note stating that the child presents no risk to himself/herself or others.

If a child is exposed to any excludable disease at the center, parents will be notified in writing.

COMMUNICABLE DISEASE REPORTING GUIDELINES

Some excludable communicable diseases must be reported to the health department by the center. The Department of Health's Reporting Requirements for Communicable Diseases and Work-Related Conditions Quick Reference Guide, a complete list of reportable excludable communicable diseases, can be found at:

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the center shall secure documentation to that effect, maintain a copy on file, and comply with the terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fails to pick up a child at the time of the center's daily closing, the center shall ensure that:

1. The child is supervised at all times;

If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the center shall ensure that:

1. The child may not be released to such an impaired individual;
2. Staff members attempt to contact the child's other parent or an alternative person(s) authorized by the parent(s); and
